We are now accepting applications for the 2021-2022 school year. Current families are guaranteed a placement if their forms are returned by January 15th. New entrants are encouraged to return their forms immediately and will be placed during the month of January. A \$60 per family application fee (non-refundable upon placement acceptance) must accompany the completed forms. The non-refundable first month's tuition installment is due within two weeks of notification of a placement.

Your child will not be enrolled until we receive these payments.
